

The uKnighthed Fund provides financial support in the form of registration fee support and cash call support to Knights Hockey Club families facing financial challenges or obstacles.

Am I eligible for funding?

In order to be considered for financial support, you must be able to answer 'yes' to the following three questions:

1. Do you have a child(ren) registered in Knights Hockey Club this season?
2. Is the child on whose behalf you are applying between the ages of 4-18?
3. Is your family in financial need?

I answered 'yes' to all three questions – How do I apply for funding?

Tier 1 Application:

Families that have been approved for funding from one of the following organizations for the upcoming hockey season:

1. Jumpstart
2. Flames EvenStrength Program
3. KidSport

If you have been approved for funding from one of these organizations, you will then fill out a Tier 1 application form located on the KHC website under the uKnighthed Fund tab.

Successful Tier 1 applicants will receive payment to go towards registration fees and team cash calls to a maximum determined annually by the uKnighthed Fund committee. This maximum is based on available funds and applications received.

Deadline for Tier 1 Applications:

October 15th of current year

Tier 2 Applications:

Families experiencing financial difficulties that have completed and submitted applications to Jump Start, Flames EvenStrength Program or KidSport but have been denied access to these funds.

If you have not been awarded funding from one of these organizations you will then fill out a Tier 2 application form located on the KHC website under the uKnighthed Fund tab.

Approved Tier 2 applicants will receive payment to go towards registration fees and team cash calls to a maximum determined annually by the uKnighthed Fund Committee, based on the available funds and applications received. Applications are paid and approved at the discretion of the uKnighthed Fund Committee dependant on the number of applications received and the funds available.

Deadline for Tier 2 Applications:
December 15th of current year
