

Dear Knights Families:

As everyone is aware we have implemented a no spectator rule during the evaluation process for the 2021/2022 season.

Reported violations of this policy will be investigated and families found in violation of the rules will be asked to correct their behavior.

Progressive discipline will be applied as follows on a per family basis.

1st Violation –

Written warning issued via email to the family explaining the policy and requesting future compliance. A record will be kept for future reference.

2nd Violation –

The parents/guardians in the offending family will be asked to participate in a conversation with the discipline committee within one week of the discipline violation being reported.

If the family refuses the meeting, they will be unable to participate in any hockey activities until the meeting takes place.

3rd Violation –

The discipline Committee will review the circumstances and may assign further penalties.

Regards,

Corey Severtson
Director of Safety and Governance
