

## U11 KNIGHTS GOALIES OVERALL CUE CARD

		5 - Stand-out skills: Above the group	4 - Above Average: Fits in Group to slightly above group	3 - Average: Fits in Group	2 - Below Average: Skill is below group	1 - Needs Improvement – struggles to keep up with group
Skating/Technical	Movement	<p>Exceptional at all skating skills.</p> <ol style="list-style-type: none"> <li>Moves well technically and has strong fundamental skills.</li> <li>Able to push and set feet with ease.</li> <li>Smooth skating and moves in one direction to the puck.</li> </ol>	<p>Strong at most skating skills.</p> <ol style="list-style-type: none"> <li>Technically sound.</li> <li>Pushes and stops hard.</li> <li>Smooth skating and has a comfortable stance.</li> </ol>	<p>Average at most skating skills.</p> <ol style="list-style-type: none"> <li>Has technical skill but lacks speed and precision.</li> <li>Doesn't always stop hard.</li> <li>Needs to work on pushing in one direction to the puck.</li> </ol>	<p>Below average at most skating skills.</p> <ol style="list-style-type: none"> <li>Has technical skill but needs to work on the basics.</li> <li>Rolls feet and does not set for shots.</li> <li>Does Not push in one direction.</li> </ol>	<p>Skating need significant work.</p> <ol style="list-style-type: none"> <li>Lacks skating ability - small knowledge of goalie technical skills.</li> <li>Needs to push and stop hard on all movements.</li> <li>Beginner goalie that will needs to work on more repetitions in net.</li> </ol>
Tracking Skills	Hands/Tracking	<p>Dominant with hands and tracking skills.</p> <ol style="list-style-type: none"> <li>Has soft hands that can react easily into glove and blocker saves. Supports their saves with body leaning into shot.</li> <li>Fully tracks shots into their body, eyes and head into saves. Nose is always to the puck.</li> <li>Has ability to track rebounds after making the first save. Follows play well.</li> </ol>	<p>Strong with hands and tracking skills</p> <ol style="list-style-type: none"> <li>Has ability to react to shots well with gloves and blocker.</li> <li>Tracks shots well with head and eyes leading. Nose to the puck.</li> <li>Tracks rebounds and follows the play.</li> </ol>	<p>Average with hands and tracking skills</p> <ol style="list-style-type: none"> <li>Has basic tracking skills and ability to activate hands into shots.</li> <li>Tracks shots into the body with head and eyes but not consistently.</li> <li>Will often push to rebounds.</li> </ol>	<p>Below average with hands and tracking skills</p> <ol style="list-style-type: none"> <li>Needs improvement with hand control and tracking the puck.</li> <li>Has fundamental tracking skills and needs to work on full tracking shots.</li> <li>Doesn't always track and follow their rebounds.</li> </ol>	<p>Needs work on hands and tracking skills</p> <ol style="list-style-type: none"> <li>Has little to none tracking skills and is at a beginner level.</li> <li>Doesn't track at all with head and eyes, at a beginner level.</li> <li>Doesn't follow or track rebounds.</li> </ol>
Passing Skills	Puck Play	<p>Goalie Consistently shows advanced habits with the following skills:</p> <ol style="list-style-type: none"> <li>Able to slide stick out and stop puck on blade with control, pucks aren't rolling off.</li> <li>Able to make small area control after receiving the puck.</li> <li>Shows advanced passing skills, power and accuracy.</li> </ol>	<p>Goalie Consistently shows strong habits with the following skills:</p> <ol style="list-style-type: none"> <li>Able to stop puck on the blade with control, most pucks don't roll off the blade.</li> <li>Will often make small area puck control after receiving the puck</li> <li>Has strong passing skills, power and accuracy.</li> </ol>	<p>Goalie Consistently shows average habits with the following skills:</p> <ol style="list-style-type: none"> <li>Able to stop most pucks on the blade, but not always able to keep control of the puck, puck rolls off.</li> <li>Doesn't always have the ability to make small area puck control with the puck.</li> <li>Has average passing skills.</li> </ol>	<p>Below average with playing the puck. Has troubles with sliding stick out to stop puck on blade. Below average passing and accuracy skills.</p>	<p>Goaltender lacks puck playing skills and is still at a beginners level. Puck play is a difficult skill and takes practice to improve.</p>
Identifying What Type Of Save Is Needed	Save Selection	<p>Goaltender shows advanced save selection skills. Identifies which save is best needed on each play. Uses butterfly and also stays on feet and reads the shots. Doesn't go down early on shots. Shifts body into all saves.</p>	<p>Goaltender shows strong save selection skills. Will often identify which save is best needed on each play. Uses butterfly and also stays on feet - and reads the shots. Doesn't go down early on most shots. Shifts body into saves.</p>	<p>Goaltender shows average save selection skills. Will sometimes identify which save is best needed on each play. Will guess on shots and not make a reactionary save. Goes down early on some shots, will sometimes shift body into save.</p>	<p>Below average in identifying which save type is best needed for the shot. Guesses on most shots and doesn't react well. Needs to shift the body more into shots.</p>	<p>Need significant work on save selection and is still at a beginners level.</p>
Puck Stopping Skills	Ability To Make Save	<p>The goaltender is advanced in the position and has the ability to make saves on most to all plays. Moves well in the net and has strong reactionary skills. Competes hard on all plays and has a good work ethic.</p>	<p>The goaltender is strong in the position and has the ability to make saves on most plays. Moves well in the net and has good reactionary skills. Competes well on all plays.</p>	<p>Goaltenders shows average skills with stopping the puck. Doesn't always have the consistency on each drill. Needs to show more battle and compete. Not always square to the puck and needs more depth in the net.</p>	<p>Below average skills with stopping the puck. Has little consistency in the drills, and not always square to the puck. Lacks attention to detail on some plays.</p>	<p>Lacks the basic skills needed for stopping the puck. Is at a beginners level and will need to work on the fundamentals.</p>
Wraps & Jams	Post Play	<p>Shows advanced post play skills. Transfers into post lean well, uses RVH and can also use VH if needed. Connects well on post and no holes down low, able to have a strong stick on post. Good details.</p>	<p>Shows strong post play skills. Transfers into post lean well, uses RVH and can also use VH if needed. Connects well on post and no visible holes.</p>	<p>Goalie has average post play skills. Does Not always transfer smoothly into post leans. Has the ability to use RVH but will not always shift their weight properly. Sometimes has holes low.</p>	<p>Below average post play skills, has trouble transferring into post leans. Does Not transfer weight and has issues finding post at times.</p>	<p>Is at the beginning stages of post leans and does not have the necessary skills needed to transfer into post lean.</p>
