

You are the Team Manager

*Thank you for agreeing to be the Team Manager for your child's team!
The countless number of hours that you will be putting in this season will be;
challenging, memorable and rewarding!*

The Team Manager is the conduit within the team, between teams and Knights Hockey; as well as with Coach Leads, and Hockey Calgary League Chairs.

The purpose of this role is to ensure the smooth operation of the team behind the scenes which allows the coaching staff to concentrate on the 'on ice' activities. Knights Hockey Club (KHC) expects the Team Manager **to work in tandem with the coaching staff** to facilitate the 'off-ice' responsibilities and activities.

Team Manager Meetings will be hosted in early October. *Age Groups complete evaluations at different times; therefore, your team may be formed in advance of the Manager Meeting.* So, with that said, here is some preliminary information for you to review.

NOTE: Notations in '**bold RED font**'; can be found on the KHC website under the 'Resource' tab, '**Managers Toolkit**' section:

1. Head Coach and Manager should discuss roles and expectations. **The manager role is to be responsive to the needs of the coaching staff by implementing decisions relating to the team. Good communication; is key!**
2. The Head Coach should provide you with the email list. If you are designated to contact parents, you **MUST** use **bcc**: until you have permission from the families to share their information. Introduce yourself through email or at the 1st practice letting the families know when the Parent Meeting will be. This meeting would be **mandatory for at least one parent to attend. Attendance should be recorded in the team meeting minutes.**
3. There is an **Agenda - Parent Meeting** that can be used as a guide, for the Parent Meeting.
4. At the Parent Meeting, seek out volunteers & **delegate!** Please do not take on all the roles. This will be overwhelming and time consuming. **The success of the team depends on its volunteers!** **Note:** those who need to fulfill their Volunteer Bond could be given priority whenever possible.
5. **One of your BIGGEST resources will be the KHC website. Review ALL of the info in the 'Managers Toolkit' tab, including the Team Manager Guide.**
6. **Organize your binder (with dividers). Suggested sections are: **Official Team Roster, Contact Lists, Game Sheets & Labels, Injury Reports, Tracking Sheet, Off-Ice Official Manual, Manager Guide (optional to print, but recommended), Ice Scheduling Guide (optional to print, but recommended).****
7. **Enjoy yourself!** If you have questions or are unsure of what to do, PLEASE don't hesitate to contact: **admin@knightshc.ca or ice@knightshc.ca**
