

Knights Hockey Club Affiliates

When requesting the use of Affiliates, KHC expects that all Coaches shall cooperate fully to ensure that the affiliation is handled timely and appropriately

- Coaches, at their discretion, may affiliate players to participate in games and practices
- Affiliates may only be used in the absence of a rostered player. Affiliates are not permitted for suspended players. Roster size cannot be exceeded when using affiliate players.
- There will be NO affiliations allowed within the division of U7 (Timbits). There will be NO affiliations allowed from U7 (Timbits) up to U9.
- *Only approved affiliates may be used*

All teams should have received their Hockey Canada rosters with affiliate players on it.

Best Practices

- In cases where team schedules do not conflict, coaches may utilize their affiliation list to fill vacancies.
- In cases where the lower team is practicing, and the higher team requires a player(s), full utilization of affiliation to fill vacancies is recommended with the lower team drawing players from their affiliate group for the practice.
- Lower division coaches SHOULD allow their players to affiliate if there is no *conflict with their team schedule*

PROCESS TO REQUEST AFFILIATES

- The Coach of the higher-level team directly or through their team manager shall contact the Coach of the lower-level team to communicate the requirement and seek approval prior to using the player(s).
- Requesting coach should give as much notice as possible; preferably 48 hours. Lower coach/manager needs to acknowledge receipt of request as soon as possible and ask parents about availability as quickly as possible. Lower coach/manager should keep the requesting coach/manager updated.
- It shall be confirmed that the player being requested is willing to participate by the coach or manager of the lower-level team via communication with the parents of the requested affiliate player. The team requesting the affiliate should not contact the parents or player. The coach or manager of the affiliate player is responsible for contacting the affiliate.
- In cases where the Coaches disagree on the requirement for affiliate players, the Director of Coaches is to be contacted to facilitate a resolution. Using/not using an affiliate should not be viewed as a reward/punishment by the lower division coach
