Sphere Optometry (<https://sphereoptometry.ca/>)

- A purpose-driven full-scope optometry clinic and optical shop in southeast Calgary.
- we believe in making a positive difference with every patient, in our community, our city, and the world, and our goal is to help our patients live fully and joyfully.
- harbour a deep love for independent hand-crafted eyewear, and delivering intuitive vision care.
- all about kindness and connection, ocular and wholistic wellness, and giving back to our local and global community.
- **10% discount off all eyewear purchases** to Knights HC members and their families
- Mention **KNIGHTS HC** and show TEAM SNAP membership
- Did you know that in kids, 80% of learning is visual, and 25% of Albertan children entering grade 1 have an undiagnosed vision problem that can interfere with their learning. As you can imagine, these vision issues would also impact their performance and confidence in sports.
